

**Siksika Family Services Corporation**  
**SIKSIKA WHITE BUFFALO**  
**Trauma-Informed Care Worker**  
**On-reserve**

Closing Date: OPEN until position is filled.  
05/2025

**GENERAL STATEMENT OF POSITION:**

In a trauma-informed approach, all people at all levels of the organization or system have a basic realization about trauma and understand how trauma can affect families, groups, organizations, and communities as well as individuals. Trauma-informed care seeks to realize the widespread impact of trauma and understand paths for recovery. Recognize the signs and symptoms of trauma in clients, families, and staff. The Trauma-Informed Care worker will provide training, healing circles and coaching in trauma-informed caregiving practices, develop engaging training resources and meaningful learning experiences for families, young people, the community, and SFSC staff and management in becoming Trauma-Informed and Resilient.

**REPORTS TO: Program Manager**

**DUTIES AND RESPONSIBILITIES:**

- Facilitate women's and teen girl's understanding of the impact of the trauma, focusing on the behavioral, emotional, cognitive, and physical consequences of the abuse, and foster development of personal coping skills.
- Provides individual and group counselling to clients from a trauma-based perspective using healing techniques, sharing circles and self-skill.
- Provides individual and group-based educational sharing circle for adult women and teen girls in the prevention of childhood trauma and abuse and/or relationship violence.
- Provide prevention and early prevention support services for women and teen girls who have experienced family violence or domestic violence.
- Utilize our Siksika Way of Life in self-actualization and creating resiliency from trauma-related events.
- Build a positive environment and culturally safe spaces.
- Develop programs for women and teen girls to reach their full potential and showcase their talents and gifts towards becoming successful entrepreneurs.
- Provide Trauma Inform community awareness campaign through posters and social media.
- Teach and lead the Trauma-Informed Care guiding values and principles that serve to help service providers to reduce re-traumatization and promote healing.
- Respond and facilitate individual trauma for both clientele and staff in healing and recovery process.
- Provide program document process, services provided, and collect participant's data and assist in reports to be submitted to the funding source and Board of Directors.
- Prepare monthly, quarterly reports and assist with yearly reports when needed.
- Ability to evaluate the needs of families and youth and develop strategies to address those needs.
